LB 459, 459A,  
38A

(Speaker Luedtke presiding)

SPEAKER LUEDTKE: The Legislature will come to order. Register your presence. Any objections? If not, so ordered. Have you all registered your presence, please.

CLERK: Mrs. Labedz wants to be excused today, till she arrives.

SPEAKER LUEDTKE: Have you all registered your presence? Record.

CLERK: Quorum present, Mr. President.

SPEAKER LUEDTKE: Anything to read into the record?

CLERK: Mr. President, a letter from the Department of Health, Bureau of Examining Boards, addressed to Vincent Brown, Clerk of the Legislature. (Read letter found on page 1504 of the Journal). Mr. President, we have received two letters from the Secretary of State, one each for acknowledgement of the receipt of LB 459 and 459A, both of which the Legislature overrode the Governor's veto on. That is all, Mr. President.

SPEAKER LUEDTKE: We will proceed then, as was indicated this morning, with a continuation of the discussion of the Criminal Code, namely LB 39, 40 and 41.

CLERK: Mr. President, there is an A bill to 38, and there is also an amendment to it. The bill, LB 38A, introduced by Senator Barnett. (Read title to LB 38A). Senator Bereuter has an amendment to the bill. The amendment is found on page 1438 of the Legislative Journal.

SPEAKER LUEDTKE: Senator Bereuter, do you recall the amendment?

SENATOR BEREUTER: Mr. President, members of the Legislature. Are we discussing LB 38A?

SPEAKER LUEDTKE: I was just going to ask Senator Barnett if he would prefer to take 38A after we've discussed the other bills, since the attendance is rather minimal.

SENATOR BEREUTER: I don't think there will be any substantial controversy.

SPEAKER LUEDTKE: Alright. Senator Barnett, is it alright if we just proceed?

SENATOR BARNETT: It doesn't make any difference to me how we proceed. It's what Jim Dunlevey thought he should have... to go throughout the state to go over this with the judicial people that will be using it--county attorneys, judges and so forth, and holding a school. That is what the appropriation is for.

SPEAKER LUEDTKE: Okay. Senator Bereuter, then if you would speak to your amendment.
